About Us

Capture Oakville is an annual juried photography competition open to all residents of Ontario. Since 2007, this event has supported photographers of all skill levels, to gain exposure and expand their creativity in the art of photography. The competition is hosted by the Oakville Camera Club (OCC) and attracts entries from around Oakville, Burlington and across the province.

The Awards Gala is a celebration for photographers and showcases their images to patrons and citizens. The Queen Elizabeth Park Community Centre and Cultural Centre has provided an ideal venue for the Gala and as a host for framed prints for the following year.

OCC is a registered non-profit organization with an objective to contribute to our community's quality of life by enhancing the enjoyment, appreciation and public profile of the photographic arts.

Thank You

Thank you in advance for your support of our camera club, competition and community.

Perhaps the best part about this in-person event is the networking opportunity. Sponsorship offers great marketing opportunities to promote your business and to demonstrate your support and commitment to the community. Our guests frequently include the Mayor, Town Councillors, prominent Oakville residents and supporters, as well as our avid and engaged photography community and their family and friends.

We hope we can count on your support this year. Should you have any specific requests or ideas for sponsorship we are happy to discuss specific or custom sponsorship packages.

The Oakville Camera Club gratefully acknowledges the continued support from the Town of Oakville Cultural Grants.
